INVESTMENT SUMMARY

Katz & Associates, on behalf of Ownership as its exclusive advisor, is pleased to offer for sale the fee simple property subject to a NNN lease located at 4799 W Irlo Bronson Memorial Highway in Kissimmee, FL (“the Property”). The Property consists of approximately 2,575 square feet of retail space on a 0.91-acre parcel, leased to Bojangles under a brand-new 20-year absolute NNN lease. Scheduled to open in December 2025, the Property is being completely repositioned with modern upgrades to Bojangles’ latest prototype, offering a turn-key investment with long-term, passive income and zero landlord responsibilities.

Strategically positioned along Irlo Bronson Memorial Highway (US-192), one of Central Florida’s most heavily trafficked east-west corridors, the Property benefits from exceptional visibility and direct access to more than 54,000 vehicles per day. Located in the heart of Kissimmee’s dominant retail and service hub, the site enjoys strong traffic counts, connectivity to nearby residential neighborhoods, and proximity to Orlando’s world-renowned attractions. Surrounded by national retailers, dining, and hospitality destinations, the Property is positioned as a premier convenience destination within the corridor.

The Property is leased and operated by Bojangles, one of the fastest-growing quickservice restaurant brands in the Southeast, with more than 800 locations across 17 states. Founded in 1977, the company has delivered 29 consecutive years of positive sales growth, supported by strong consumer loyalty and corporate-backed stability. Kissimmee, part of the Orlando Metropolitan Area—the 3rd most visited city in the world—offers unmatched demand drivers fueled by tourism, education, healthcare, and regional population growth. With limited new development opportunities along Irlo Bronson Memorial Highway, the Property provides a compelling investment opportunity in a high-barrier, high-demand market.

LOCATION OVERVIEW

KISSIMMEE, FL

Kissimmee, Florida, is located along the northwest shore of Lake Tohopekaliga in the Orlando Market. Known for being a family-oriented destination that attracts over 8,000,000 overnight visitors each year, ranching was an important part of the local economy until the opening of nearby Walt Disney World in 1971. Following the opening of Walt Disney World, tourism and development supplanted cattle ranching to a large measure and the city's population doubled from 7,500 to 15,000 by 1980. The population doubled again in the 1980s to 30,000. Although the Disney facility took over much of the open range cattle lands, cattle ranches still operate nearby, particularly in the southern part of Osceola County.

The City of Kissimmee is home to the third largest medical cluster in Central Florida as well as two growing hospitals: Advent Health Kissimmee and HCA Florida Osceola Hospital. Advent Health Kissimmee was voted the number one hospital in Greater Orlando by US News in 2002. Tourism is a major driver of the local economy, as Kissimmee's 35+ hotels help to host the 58 million guests that visit Disney World each year.
